TO THE HONORABLE MARVIN ISGUR, UNITED STATES BANKRUPTCY JUDGE:

The Official Committee of Unsecured Creditors (the “**Committee**”) appointed in the above-captioned cases (the “**Chapter 11 Cases**”) of Fieldwood Energy LLC and the affiliated jointly administered debtors and debtors in possession (collectively, the “**Debtors**”) submits this application (the “**Application**”) for the entry of an Order substantially in the form attached hereto as **Exhibit A** authorizing the employment and retention of Pachulski Stang Ziehl & Jones LLP (“**Pachulski Stang**”) as co-counsel to the Committee, effective as of January 20, 2021, pursuant to Sections 328 and 1103 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rules 2014 and 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Rules 2014-1 and 2016-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Southern District of Texas (the “**Local Bankruptcy Rules**”). In support of the Application, the Committee submits the Declaration of Michael D. Warner, a member of Pachulski Stang (the “**Warner Declaration**”), attached hereto as **Exhibit B**, and the Declaration of Tim Fox, on behalf of Committee member Partco, LLC, attached hereto as **Exhibit C**. In further support of the Application, the Committee respectfully represents as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b).
2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief sought herein are Sections 328(a) and 1103(a) of the Bankruptcy Code, Bankruptcy Rules 2014 and 2016, and Local Bankruptcy Rules 2014-1 and 2016-1.

BACKGROUND

4. On August 3, 2020 (the “**Petition Date**”), each of the Debtors commenced a voluntary case under chapter 11 of the Bankruptcy Code in this Court. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these Chapter 11 Cases.

5. On August 18, 2020, the Office of the United States Trustee filed that certain *Notice of Appointment of Committee of Unsecured Creditors* [Docket No. 183], appointing a Committee pursuant to section 1102 of the Bankruptcy Code. The Committee, as reconstituted, consists of the following committee members: (i) TETRA Technologies, Inc., (ii) Workstrings International, L.L.C., and (iii) Partco, LLC.

6. On August 19, 2020, the Committee held a meeting and, among other things, selected Stroock & Stroock & Lavan LLP (“**Stroock**”) as lead counsel, subject to Court approval. The following day, August 20, 2020, the Committee selected Conway Mackenzie, LLC as the Committee’s financial advisor and Cole Schotz P.C. (“**Cole Schotz**”) to serve as co-counsel to the Committee in these cases, both subject to Court approval.

7. On September 18, 2020, Cole Schotz filed its *Application for Approval of the Employment of Cole Schotz P.C. as Co-Counsel to the Official Committee of Unsecured Creditors, Effective as of August 20, 2020* [Docket No. 374]. The Court entered the order approving the application on October 16, 2020 as docket number 470.

8. Michael D. Warner, a former member of Cole Schotz, was a lead counsel providing services in these Chapter 11 Cases on behalf of Cole Schotz. On January 20, 2021, Mr. Warner left Cole Schotz and became employed by Pachulski Stang. On January 12, 2021,

the Committee held a meeting and, among other things, voted to retain the firm of Pachulski Stang as its counsel, in place of Cole Schotz.

RETENTION OF PACHULSKI STANG

9. By this Application, the Committee seeks authority to retain Pachulski Stang as co-counsel to represent its interests regarding all matters related to the Debtors' Chapter 11 Cases pursuant to Sections 328 and 1103 of the Bankruptcy Code, Bankruptcy Rule 2014(a) and Local Bankruptcy Rule 2014-1.

10. The Committee selected Pachulski Stang because the members and associates of Pachulski Stang possess extensive knowledge and considerable expertise in the fields of bankruptcy, insolvency, reorganizations, debtors' and creditors' rights, debt restructuring and corporate reorganizations, among other qualifications. In addition, the attorneys at Pachulski Stang have substantial experience appearing before the Courts in this District and are familiar with local practice and procedure. The Committee believes that Pachulski Stang is well qualified to serve as its co-counsel in these Chapter 11 Cases.

11. The Committee submits that it is necessary and appropriate for it to employ and retain Pachulski Stang to provide, among other things, the following services, to the extent not provided by Stroock, or to the extent that Stroock has a specific conflict with such matter:

- i. advise the Committee with respect to its rights, duties, and powers in these Chapter 11 cases;
- ii. assist and advise the Committee in its consultations with the Debtors relative to the administration of these Chapter 11 cases;
- iii. assist the Committee in analyzing the claims of the Debtors' creditors and the Debtors' capital structure and in negotiating with holders of claims;
- iv. assist the Committee in its investigation of the acts, conduct, assets, liabilities, and financial condition of the Debtors and of the operation of the Debtors' business;

- v. assist the Committee in its investigation of the liens and claims of the Debtors' lenders and the prosecution of any claims or causes of action revealed by such investigation;
- vi. assist the Committee in its analysis of, and negotiations with, the Debtors or any third-party concerning matters related to, among other things, the assumption or rejection of leases of nonresidential real property and executory contracts, asset dispositions, financing or other transactions, and the terms of one or more plans of reorganization for the Debtors and accompanying disclosure statements and related plan documents;
- vii. assist and advise the Committee in communicating with unsecured creditors regarding significant matters in these Chapter 11 cases;
- viii. represent the Committee at hearings and other proceedings;
- ix. review and analyze applications, orders, statements of operations, and schedules filed with the Court and advise the Committee as to their propriety;
- x. assist the Committee in preparing pleadings and applications as may be necessary in furtherance of the Committee's interests and objectives;
- xi. prepare, on behalf of the Committee, any pleadings, including without limitation, motions, memoranda, complaints, adversary complaints, objections or comments in connection with any of the foregoing;
- xii. handle matters that are not appropriately handled by Stroock because of actual and potential conflict of interest issues; and
- xiii. perform such other legal services as may be required or requested or as may otherwise be deemed in the interests of the Committee in accordance with the Committee's powers and duties as set forth in the Bankruptcy Code, Bankruptcy Rules or other applicable law.

12. As noted, Stroock is the Committee's lead counsel and, thus, Pachulski Stang will use best efforts to coordinate and divide responsibilities with Stroock to avoid unnecessary duplication of services. Pachulski Stang has addressed with Stroock the need to avoid repetitious professional services and both firms are keenly aware of this issue.

13. The Committee understands and agrees that Pachulski Stang will charge for its legal services on an hourly basis in accordance with its ordinary and customary hourly rates in

effect on the date such services are rendered and for out-of-pocket expenses, all as set forth in the Warner Declaration. Notwithstanding the forgoing sentence, Pachulski Stang has agreed with the Committee, as provided in the Warner Declaration to continue the hourly rate charged by Mr. Warner while employed by Cole Schotz. The Committee requests that all legal fees and related costs and expenses incurred by the Committee on account of services rendered by Pachulski Stang in these cases be paid as administrative expenses of the estate pursuant to Sections 328, 330(a), 331, 503(b) and 507(a)(2) of the Bankruptcy Code. The Committee understands that Pachulski Stang will be submitting detailed statements to the Court setting forth the services rendered and seeking compensation and reimbursement of expenses. The Committee also understands that Pachulski Stang will be applying to the Court for authority to be paid its fees and expenses pursuant to its obligations under the Bankruptcy Code and any administrative fee orders entered in these cases, and the Committee consents to same.

14. Based upon the Warner Declaration, the Committee is satisfied that Pachulski Stang (i) does not represent any other entity having an adverse interest to the Committee, the Debtors, their estates, or any other party-in-interest in connection with these cases, (ii) has no connection with the U.S. Trustee or any other person employed in the office of the U.S. Trustee, and (iii) Pachulski Stang has not been paid any retainer against which to bill fees and expenses. To the best of the Committee's knowledge, Pachulski Stang has no connection with creditors or any other party-in-interest except as otherwise noted in the Warner Declaration.

15. The Committee requests approval of the employment of Pachulski Stang, effective January 20, 2021. The Committee's selection of Pachulski Stang as its co-counsel on January 20, 2021 necessitated that Pachulski Stang immediately commence work on time-sensitive matters and promptly devote substantial resources to the Debtors' cases, pending

submission and approval of this Application. Such relief is warranted pursuant to Local Bankruptcy Rule 2014-1(b) because this Application is made within 30 days of the commencement of services by Pachulski Stang.

SUPPORTING AUTHORITY

16. The Committee seeks to appoint Pachulski Stang as its co-counsel in accordance with sections 328(a) and 1103 of the Bankruptcy Code. Section 328(a) authorizes a committee appointed under section 1102 of the Bankruptcy Code, with the court's approval, to employ "a professional person under section 327 or 1103 of this title, as the case may be, on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis." 11 U.S.C. § 328(a). Section 1103, in turn, requires that an attorney employed to represent a committee "may not, while employed by such committee, represent any other entity having an adverse interest in connection with the case." 11 U.S.C. § 1103.

17. The Committee submits that for all the reasons stated above and in the Warner Declaration, the retention and employment of Pachulski Stang as co-counsel to the Committee is warranted under sections 328(a) and 1103.

18. No prior application for the relief requested herein has been presented to this or any other Court.

NOTICE

19. Notice of this Application has been provided to all parties listed on the Debtors' Master Service List. The Committee submits that such notice is sufficient and that no other or further notice be provided.

WHEREFORE, the Committee requests that an Order be entered authorizing it to retain Pachulski Stang as its co-counsel in these cases, effective January 20, 2021, and granting the Committee such other relief as the Court deems just and proper under the circumstances.

Respectfully submitted,

an Order Approving the Retention of Pachulski Stang Ziehl & Jones LLP as Co-Counsel to the Official Committee of Unsecured Creditors (the “**Committee**”), effective January 20, 2021.

4. I am familiar with the matters set forth herein and make this Declaration in support of the Application.

5. On August 3, 2020 (the “**Petition Date**”), each of the Debtors commenced a voluntary case under chapter 11 of the Bankruptcy Code in this Court (the “**Chapter 11 Cases**”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these Chapter 11 Cases.

6. On August 18, 2020, the Office of the United States Trustee filed that certain *Notice of Appointment of Committee of Unsecured Creditors* [Docket No. 183], appointing a Committee pursuant to section 1102 of the Bankruptcy Code. The Committee, as reconstituted, consists of the following committee members: (i) TETRA Technologies, Inc., (ii) Workstrings International, L.L.C., and (iii) Partco, LLC.

7. On August 19, 2020, the Committee held a meeting and, among other things, selected Stroock & Stroock & Lavan LLP (“**Stroock**”) as lead counsel, subject to Court approval. The following day, August 20, 2020, the Committee selected Conway Mackenzie, LLC as the Committee’s financial advisor and Cole Schotz P.C. (“**Cole Schotz**”) to serve as co-counsel to the Committee in these Chapter 11 Cases, both subject to Court approval.

8. On September 18, 2020, Cole Schotz filed its *Application for Approval of the Employment of Cole Schotz P.C. as Co-Counsel to the Official Committee of Unsecured Creditors, Effective as of August 20, 2020* (the “**Cole Schotz Employment Application**”)

[Docket No. 374]. The Court entered the order approving the application on October 16, 2020 as docket number 470.

9. I am a former member of Cole Schotz, and was previously a lead counsel providing services to the Committee in these Chapter 11 Cases on behalf of Cole Schotz. On January 20, 2021, I left the firm of Cole Schotz and became employed by Pachulski Stang. On January 12, 2021, the Committee held a meeting and, among other things, voted to retain the firm of Pachulski Stang as its counsel, in place of Cole Schotz.

10. Pachulski Stang has made the following investigation of its connections prior to submitting this Declaration. Pachulski Stang has undertaken a full and thorough review of its computer database, which contains the names of clients and other parties in interest in particular matters. Pachulski Stang requires all of its professionals, before accepting the representation of a new client, or the representation of an existing client in a new matter, to perform a conflicts check through the firm's database and to enter conflict information regarding new clients or new matters into that database. Thus, a review of said computerized database should reveal any and all actual or potential conflicts of interest with respect to any given representation. In particular, an employee of Pachulski Stang, under my supervision, entered the names of parties provided by the Debtors through the firm's database. The parties entered in Pachulski Stang's database with respect to the firm's conflicts check in these Chapter 11 Cases are set forth on Exhibit 1 annexed hereto.

11. Based on Pachulski Stang's conflict check within its database, the firm has not encountered any creditors of the Debtors in which an actual conflict exists between the firm and such creditors. However, in an abundance of caution, Pachulski Stang discloses the following:

- a. I am informed and believe that Highland Capital Management, L.P. ("**Highland**"), is an interested party in these Chapter 11 Cases. Highland is a Debtor in a Chapter 11

case pending in the United States Bankruptcy Court, Northern District of Texas, Dallas Division. Pachulski Stang is counsel to Highland in its Chapter 11 case. Further, as noted above, Michael D. Warner and Benjamin Wallen of Pachulski Stang, were formerly with the firm of Cole Schotz, P.C. While at Cole Schotz, but prior to the filing of the Highland Chapter 11 case, such professionals represented Highland, and various affiliates. Such representation ceased prior to the filing of Highland's Chapter 11 case. Following the filing of the Highland Chapter 11 case, such professionals represented NexBank, SSB, an affiliate of Highland, but did not represent Highland. Pachulski Stang's current representation of Highland is wholly unrelated to the firm's representation of the Committee in these Chapter 11 Cases. Further, should issues arise in these Chapter 11 Cases which involve Highland, Pachulski Stang will not participate in such matters, and instead, the Committee's other counsel, Stroock, will address such issues.

- b. Pachulski Stang represents affiliates of Wagner Oil Company in a matter wholly unrelated to these Chapter 11 Cases. Pachulski Stang does not represent Wagner Oil Company or any affiliate thereof in connection with these Chapter 11 Cases.

12. If, at any time during the course of this proceeding, Pachulski Stang learns of any representation which may give rise to a conflict, the firm will promptly file with the Court an amended declaration identifying and specifying such involvement.

13. Pachulski Stang and certain of its attorneys have represented and in the future will likely represent creditors of the Debtors in connection with matters unrelated to the Debtors and these Chapter 11 Cases.

14. Pachulski Stang represented, represents, and in the future will likely represent committees in matters unrelated to the Debtors and these Chapter 11 Cases, whose members may be creditors and/or committee members in these cases.

15. Based on the results of the search described above, and by making general and, when applicable, specific inquiries of Pachulski Stang personnel, insofar as I have been able to ascertain after diligent inquiry, Pachulski Stang (i) does not represent any entity having an adverse interest in connection with these Chapter 11 Cases and (ii) does not represent or hold an interest adverse to the interest of the Debtors or their estates with respect to the matters on which

Pachulski Stang is to be employed. Moreover, Pachulski Stang is disinterested within the meaning of section 101(14) of the Bankruptcy Code, in that neither I, Pachulski Stang, nor any of its members, counsel or associates:

- a. are creditors, equity security holders or insiders of the Debtors;
- b. are or were within two years before the Petition Date, a director, officer or employee of the Debtors; or
- c. have an interest materially adverse to the interest of the estate or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors or for any other reason.

16. As a part of Pachulski Stang's bankruptcy and corporate restructuring practice, Pachulski Stang's clientele includes: debtors, creditors and other statutory committees, institutional creditors, asset purchasers, venture capitalists, secured parties, lessors, contract parties, equity holders, directors and officers, court-appointed fiduciaries, plan sponsors, indenture trustees, and bond insurers. The Debtors have numerous creditors and other parties-in-interest. Pachulski Stang may have in the past represented, and may presently or in the future represent or be deemed adverse to, creditors or parties-in-interest in addition to those specifically disclosed **above** in matters unrelated to these Chapter 11 cases. Pachulski Stang believes that its representation of such creditors or other parties in such other matters has not affected and will not affect its representation of the Committee in these proceedings. To the extent that Pachulski Stang's representation of the Committee would require it to be adverse to any entity that it currently represents as identified **above** with respect to any issue and Pachulski Stang does not have an advance conflicts waiver, Pachulski Stang's co-counsel, Stroock, will address and pursue such issues against any such entity without Pachulski Stang's participation.

17. In addition to its bankruptcy and corporate restructuring practice, Pachulski Stang is a full service law firm with active corporate, finance, and business, insurance, and employment litigation. Pachulski Stang appears in cases, proceedings and transactions involving many different attorneys, accountants, financial consultants and investment bankers, some of whom now or may in the future represent or be deemed adverse to claimants or parties-in-interest in these cases.

18. Except as otherwise set forth herein, insofar as I have been able to ascertain, the shareholders, counsel, associates and staff members of Pachulski Stang do not have any connection with the Debtors, the Debtors' officers and directors, the Debtors' creditors, the Debtors' equity security holders and other known parties-in-interests or their respective professionals.

19. To the best of my knowledge, information and belief formed after reasonable inquiry, neither I, nor any shareholder, special counsel, associate or staff member of Pachulski Stang, insofar as I have been able to ascertain, is related to the bankruptcy judge assigned to the above-captioned Chapter 11 cases.

20. To the best of my knowledge, information and belief formed after reasonable inquiry, neither I, nor any shareholder, special counsel, associate or staff member of Pachulski Stang, insofar as I have been able to ascertain, has a connection to the United States Trustee or any person employed in the office of the United States Trustee.

21. Despite the substantial efforts described above to identify and disclose potential conflicts and connections with parties-in-interest in these cases, neither I nor Pachulski Stang is able to conclusively identify all potential relationships or state with absolute certainty that every client representation or other connection of Pachulski Stang has been disclosed. To the extent

Pachulski Stang discovers any facts or additional information during the period of Pachulski Stang's retention that requires disclosure, Pachulski Stang will supplement this Declaration to disclose such information.

22. Pachulski Stang intends to apply for compensation for professional services rendered in connection with these Chapter 11 cases subject to the approval of this Court and in compliance with applicable provisions of the Bankruptcy Code, Federal and Local Bankruptcy Rules, and Orders of the Court entered in these cases concerning compensation of professionals, on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred by the firm. Pachulski Stang has not been paid any retainer against which to bill fees and expenses.

23. The attorneys and paralegals primarily responsible for representing the Committee, and their current standard hourly rates are:

<u>Name</u>	<u>Title</u>	<u>Hourly Rate</u>
Michael D. Warner	Member	\$900 ²
Ayala A. Hassell	Of Counsel	\$725
Benjamin L. Wallen	Associate	\$750
Kerri L. LaBrada	Paralegal	\$460

Other attorneys, paralegals, and case management clerks may assist in representing the Committee. The range of hourly rates for such professionals are, at this time, as follows:

<u>Title</u>	<u>Rates</u>
Members	\$845 - \$1,695
Of Counsel	\$695 - \$1,275
Associates	\$695 - \$750
Paralegals	\$425 - \$460

² Pachulski Stang has agreed with the Committee that, with respect to the hourly rate of Michael Warner for the balance of 2021, such rate will remain at \$900, as such was the hourly rate at the time Michael Warner left Cole Schotz and became employed by Pachulski Stang. Other attorneys providing services in this case will be charging their current hourly rates.

24. The hourly rates set forth above are subject to periodic adjustments to reflect economic and other conditions. Any such adjustments will be reflected in Pachulski Stang's fee requests. There are no alternative fee arrangements from customary billing. Further, no professional varies his or her rate based on geographic location.

25. It is Pachulski Stang's policy to charge its clients in all areas of practice for out-of-pocket expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, mail and express mail, special or hand delivery, outgoing facsimiles, photocopying, scanning and/or printing, computer assisted research (which shall not be more than the actual cost incurred by Pachulski Stang in performing such research), travel, "working meals," transcription, as well as non-ordinary overhead expenses such as secretarial and other overtime. Pachulski Stang will charge for these expenses in a manner and at rates consistent with charges made generally to its other clients.

26. Furthermore, Pachulski Stang shall use reasonable efforts to coordinate and divide responsibilities with Stroock to avoid unnecessary duplication of services. Pachulski Stang has addressed with Stroock the need to avoid repetitious professional services and both firms are keenly aware of this issue. I have spoken with representatives from Stroock, and we agree to use our best efforts under the circumstances presented to ensure there is a very low likelihood of duplication of effort.

27. The following is provided in response to the request for additional information set forth in ¶ D.1 of the Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases (the "**Revised Guidelines**"):

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: No.

Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No.

Question: If you represented the client in the twelve (12) months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Response: Pachulski Stang did not represent the Committee before its formation.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: As Committee counsel, Pachulski Stang anticipates that the budget for Committee professionals will be governed by the *Final Order (I) Authorizing Debtors (A) to Obtain Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 363(b), 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1) and 364(e) and (B) to Utilize Cash Collateral Pursuant to 11 U.S.C. § 363, and (II) Granting Adequate Protection to Prepetition Secured Parties Pursuant to 11 U.S.C. §§ 361, 362, 363, 364 and 507(b)* [Docket No. 346], subject to any rights that the Committee may have with respect thereto. The Committee and its professionals reserve all rights to seek approval of Committee professional fees.

28. Pachulski Stang intends to make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the Appendix B of the Revised Guidelines, both in connection with the Application and the interim and final fee application to be filed by Pachulski Stang in these Chapter 11 Cases.

29. No promises have been received by Pachulski Stang nor any member, counselor or associate thereof as to compensation in connection with this case other than in accordance with the provisions of the Bankruptcy Code.

30. No agreement exists, nor will any be made, to share any compensation received by Pachulski Stang for its services with any other person or firm.

31. Pachulski Stang will abide by the terms of any administrative order establishing procedures for professional compensation and reimbursement entered in these cases.

I hereby declare under the penalty of perjury that the foregoing is true and correct.

The Committee's Selection of Pachulski Stang as Counsel

2. Pachulski Stang Ziehl & Jones LLP ("**Pachulski Stang**" or the "**Firm**") is proposed to serve as co-counsel to the Committee. The Committee recognizes that a review process is necessary in managing counsel to ensure that bankruptcy professionals are subject to the same scrutiny and accountability as professionals in non-bankruptcy engagements. The review process utilized by the Committee here assessed potential committee counsel based on their expertise in the relevant legal issues and in similar proceedings.

3. On August 18, 2020, the Office of the United States Trustee filed that certain *Notice of Appointment of Committee of Unsecured Creditors* [Docket No. 183], appointing a Committee pursuant to section 1102 of the Bankruptcy Code. The Committee, as reconstituted, consists of the following committee members: (i) TETRA Technologies, Inc., (ii) Workstrings International, L.L.C., and (iii) Partco, LLC.

4. On August 19, 2020, the Committee held a meeting and, among other things, selected Stroock & Stroock & Lavan LLP as lead counsel, subject to Court approval. The following day, August 20, 2020, the Committee selected Conway Mackenzie, LLC as the Committee's financial advisor and Cole Schotz P.C. ("**Cole Schotz**") to serve as co-counsel to the Committee in these cases, both subject to Court approval.

5. On September 18, 2020, Cole Schotz filed its *Application for Approval of the Employment of Cole Schotz P.C. as Co-Counsel to the Official Committee of Unsecured Creditors, Effective as of August 20, 2020* [Docket No. 374] (the "**Cole Schotz Employment Application**"). The Court entered the order approving the application on October 16, 2020 as docket number 470.

6. Michael D. Warner (“**Mr. Warner**”), a former member of Cole Schotz, was a lead counsel providing services in these Chapter 11 Cases on behalf of the Firm. On January 20, 2021, Mr. Warner left Cole Schotz and became employed by Pachulski Stang. On January 12, 2021, the Committee voted to retain the firm of Pachulski Stang as its counsel, in place of Cole Schotz.

RATE STRUCTURE

7. In my capacity as Committee member, I am responsible for supervising counsel. Pachulski Stang informed the Committee that its rates are consistent between bankruptcy representations, including related transactional and litigation services. Pachulski Stang also informed the Committee that its current hourly rates apply to non-bankruptcy services, if any, provided by the Firm, unless a contingent fee, mixed contingent fee, flat fee, or blended rate arrangement is agreed upon. Pachulski Stang has agreed with the Committee, that with respect to Mr. Warner’s hourly rate for the balance of 2021, such rate will remain the same as it was at the time he left Cole Schotz and became employed by Pachulski Stang. Other Pachulski Stang professionals will charge their customary and standard rates.

COST SUPERVISION

8. The Committee will approve any prospective budget and staffing plan that may be filed by Pachulski Stang prior to it being filed, recognizing that, in the course of large chapter 11 cases like these Chapter 11 Cases, it is possible that there may be a number of unforeseen fees and expenses that will need to be addressed by the Committee and Pachulski Stang. I further recognize that it is the Committee’s responsibility to closely monitor the billing practices of their professionals to ensure the fees and expenses paid by the estates remain consistent with the Committee’s expectations and the exigencies of the Cases. The Committee

will continue to review the invoices that Pachulski Stang regularly submits, and, together with Pachulski Stang, periodically amend any budget and staffing plans, as the case develops.

I hereby declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
